2015/16	£9,995

The principles by which pupil premium funding is allocated:

Oak Hill Academy is dedicated to promoting healthy and active lifestyles and to providing a wide range of Physical Education & sporting opportunities for all of its pupils. The Sports Premium is being used to develop staff skills in delivering PE and provide additional sporting opportunities such as a range of competitions for all pupils.

The majority of the Sport Premium is being used to buy into Premier Sport, who provide specialist PE and Sports coaching and CPD for the school. The Sports Premium is also used to buy in to the basic package from the Hounslow School Sport Partnership (Sport Impact). This provides a competition framework for the whole school year, enabling children to access local, regional and national competitions. The partnership links the school to local sports clubs, provides access to competitions for the gifted & talented, and organises an annual programme to get more pupils participating in competitive sport.

At Oak Hill Academy, sport is encouraged through Extra Curricular activities at lunch and after-school. There are a variety of different clubs that are available; this is updated termly.

The PE and Sport Premium has increased the engagement of both staff and pupils in PE and Sport. Teachers focus on raising pupils' achievement and developing multi abilities in their PE lessons following the 3 school guiding principles and 8 conditions.
