EU Settlement Scheme

About the EU Settlement Scheme

The purpose of the EU settlement scheme is to help EU, EEA and Swiss Citizens (including family members and dependants) to continue living, working and accessing public services in the UK after Brexit.

Hounslow Citizens Advice offers access to free support to help apply to the EU settlement scheme, in order to receive settled or pre-settled status in the UK.

Rights with Settled or Pre-settled Status:

Applicants will be able to:

- work in the UK
- use the NHS
- enrol in education or continue studying
- access public funds such as benefits and pensions (if they are eligible for them)
- travel in and out of the UK
- stay in the UK as long as they like if they get *settled* status. They will also be able to apply for British citizenship if they are eligible.

We are here to help all Hounslow residents with advice and support about applying to the EU Settlement Scheme but in particular vulnerable individuals including:

- Victims of Domestic Violence
- Modern Slavery
- Human Trafficking
- EU Families (mistakenly believing that children born in the UK are automatically citizens)
- Children & Young People Leaving Care
- Older People – Home Visits
- Disabled People / Serious Health Conditions
- Residents in Care Homes
- Homeless People
