

## Year 6 Autumn 1 Enrichment Homework

For your optional homework this term, you will be creating a project entitled '**Ring of Fire**'. How you create your project is up to you, but your teacher and your parents will help you with ideas.

There will be three tasks to complete. This homework will help you with your '**No Limits Assignment**' in school and allow you to share the extra information with your class!

There will be three awards given out for the following categories:

**1) Self-Worth**

**2) Purpose**

**3) Engagement**

### **Task 1: To be handed in on Wednesday 22nd September 2021**

For your first homework instalment, you need to get creative! Your task is to make a model of something related to natural disasters! You could make a volcano, a tornado, a cyclone in a bottle, a shelter or bunker, a survival kit, a drawing or sketch... the list is endless.

Remember, the more creative you are the better!

### **Task 2: To be handed in on Wednesday 6<sup>th</sup> October 2021**

For your second homework instalment, choose a natural disaster you would like to research. Use the points below as sub-headings to collect information about your chosen natural disaster. How you present your research is up to you! You might make a leaflet, a poster, a documentary/iMovie...)

- How or why does this natural disaster happen?
- Where does this natural disaster happen most often and why?
- Can you find any case studies of this disaster around the world?
- Is Climate Change affecting this type of disaster around the world?

Add labelled geographical diagrams!

### **Task 3: To be handed in on Wednesday 20<sup>th</sup> October 2021**

For your final homework instalment, you need to create a safety poster about volcanoes or earthquakes. Your poster needs to be creative, colourful, bold and informative.

Think about:

- Evacuation information (where to go)
- What to take with you
- How to escape
- What to avoid
- Could there be a slogan? E.g. Always Aware; Always Prepared

Happy researching! Remember to be as creative as possible!

**The Year 6 Team:** Mr Ridgway, Mrs Berry, Miss Caldwell, Miss Hitchell and Miss Moorshead
