

## **EQUIPMENT REQUIREMENTS**

Your child will need the following equipment in school to help their day go as smoothly as possible.

The items listed below should be in a **small, plastic pencil case** and, due to the limited size of the children's trays, should not be purchased from retailers such as Smiggle.

- Blue handwriting pen (not biro)
- Pencils (writing pencils / mechanical pencils)
- Small plain rubber
- Clear plastic (rigid) ruler
- Glue stick
- Green biro pen (not a gel pen)
- Small sharpener
- Whiteboard pen

Though we have provided this list and we are aware that parents like to provide their children with their own stationery, these items are not compulsory and are available to all children supplied by the school.

We cannot stress enough the need to clearly **label your child's school uniform and equipment.**

Please take stock of your child's school stationery on a half termly basis and replenish as necessary.
